In the lists of Officers serving in India (pages 8-96) and in Burma (pages 176-185) only substantive appointments are, as a rule, shown ; the lists contain the names of all members of the All-India and the Burma Class I Services, of the Indian Political Service, of Chaplains on the Indian and the Burma Ecclesiastical Establishments, and of other officers whose status is not below that of members of the All-India or the Burma Class I Services. The names shown in italics are those of Officers who are on long leave, on leave pending retirement, in foreign service, supernumerary, seconded, or employed outside their own Departments.

The " Table of Contents " is on pages ii and iii, and the " Index of Names " on page 665 *et seq.* Unless they appear elsewhere in the volume, names in the Alphabetical Honours List (pages 197 to 245), and in the Record of Services (pages 247 to 654) are omitted from the Index of Names. Indian and Burman names are indexed as in the Civil Lists of the Central and Provincial Governments of India and of the Government of Burma. In doubtful cases they are twice indexed and cross references are made.

The principle of selection followed in the Alphabetical Honours List and in the Record of Services is explained on pages 197 and 247 respectively.

This volume has been corrected, as far as possible, up to the autumn of 1939.

It is requested that intimations of errors in the lists, or of omissions, may be addressed to the Editor of the India Office and Burma Office List, India Office, Whitehall, London, S.W.

## THE INDIAN CIVIL SERVICE.

\* There are four methods by which appointments to the Indian Civil Service, for which men only are eligible, are made, namely :

1. By written competitive examination held in England ;
2. By selection in England ;
3. By written competitive examination in India ;
4. By nomination.

The written competitive examination held in England is the same as that which takes place annually for appointment to the Administrative Class of the Home Civil Service, and is held at the same time. Candidates must be between the ages of 21 and 24 on the 1st August of the year in which the examination is held, and must either be British subjects of European descent, or of Indian domicile or descent, or subjects of a State in India.

Candidates for appointment by selection in England are required to be European British subjects of non-Asiatic domicile between the ages of 21 and 24, and must have qualified by examination for a good Honours Degree in a Final Honours School of an approved University.

Candidates for the written competitive examination held in India are required to be British subjects of Indian domicile (or of European or Indian descent domiciled in Burma), or subjects of a State in India, to be within the ages of 21 and 24 on the 1st January of the year in which the examination is held, and to hold a Degree of an approved University or the Senior Diploma of the Mayo College, Ajmer.

Appointments by nomination, the object of which is to ensure the due representation in the Service of minority communities, are made in accordance with the Indian Civil Service (Nomination) Rules, copies of which can be obtained on application to the India Office, or to the Home Department of the Government of India.

All recruits, however appointed, are required to serve for a year on probation in England, at the end of which they have to pass an examination in subjects which include the Indian Penal Code, Indian History, a Vernacular Language and Riding.

The probationary period is spent at one of the following three centres, namely, Oxford University, Cambridge University, and the School of Oriental Studies, London. During this period allowances are paid at the rate of £300 a year or, if the probationer is of Asiatic domicile, of £350 a year.

On arrival in India an Indian Civil Service officer serves at first as an Assistant Commissioner in a District in the particular Province to which he is allotted. In this capacity he acts as assistant to the Deputy Commissioner or District Officer. The duties of a District

Officer consist of the direct administration of a District and include a considerable amount of magisterial work.

The Assistant Commissioner, after some years' service in that capacity (which may include a spell in the Secretariat of his Province or, perhaps, of the Central Government) is posted either to the executive side of the Service as a District Commissioner or to the judicial side as a District and Sessions Judge. If posted to the executive side, an officer may either continue to serve in a District or he may be appointed to a post in the Secretariat. If posted to the judicial side, an officer's duties are purely judicial. A District and Sessions Judge, whose duties extend over both the criminal and civil courts in the District, exercises the highest original jurisdiction in that District and also appellate jurisdiction over the magistrates on the one hand, and over the civil judges on the other.

Above the posts of Deputy Commissioner and District and Sessions Judge respectively there are a number of higher posts for which an officer may be selected in the course of his service.

### PAY.

Pay consists of basic pay, which is payable monthly in rupees, and overseas pay which is payable in rupees during the first 4 years of service and thereafter in sterling. Overseas pay is admissible only to officers of non-Asiatic domicile. Basic pay is regulated by a time-scale and (converted at the current rate of 1s. 6d. to the rupee) ranges from £405 per annum on first appointment to £2,025 on completion of 23 years' service. Overseas pay ranges from Rs.150 per mensem (£11 5s.) on appointment to £30 per mensem after 11 years' service. The higher posts carry special rates of pay which are considerably above the maximum of the time scale.

### LEAVE.

Leave is calculated in terms of leave on average pay, at the rate of  $\frac{1}{3}$  of the period spent on duty in the case of officers of non-Asiatic domicile and  $\frac{1}{4}$ ths in the case of officers of Asiatic domicile, of which only a portion may be taken on average pay, the remainder being on half-average pay. Leave is accumulated and may be taken at intervals during service.

### PASSAGES.

In addition to a free passage to India on first appointment, every officer of non-Asiatic domicile is entitled to four free passages to and from India at first-class rates for himself, and the same number for his wife, but, if he prefers to do so, he can travel at a cheaper rate and so increase the number of times he is able to come home at Government expense.

### PENSION.

An Indian Civil Service officer is eligible for a pension of £1,000 a year on completion of 21 years' active and 25 years' total service, but if he so desires he may remain in the

\* See footnote on P. 155.

## INDIAN CIVIL SERVICE--continued.

Service until he completes 35 years' total service. An officer of non-Asiatic domicile is also eligible to retire prematurely, at any time after completing 5 years' service, on a proportionate pension which is calculated according to the length of his active service. An officer who is invalided from the Service is entitled to an annuity ranging from £150 after 4 years' active service to £900 after 20 years, or, if he has rendered less than 4 years' active service, to a gratuity of £500.

## PROVIDENT FUND.

Every officer contributes to a Provident Fund, and on retirement his contributions

are repaid to him in a lump sum to which compound interest is added. He also subscribes to a Family Pension Fund, to which Government contribute, to provide pensions for his widow and children.

Further information and forms of application for appointment by competitive examination or selection in England may be obtained from the Secretary, Services and General Department, India Office, Whitehall, S.W.1.

Enquiries relating to the competitive examination in India should be addressed to the Secretary to the Government of India, Home Department.

\* The methods of recruitment described above were in force up to the outbreak of war in September, 1939. Recruitment by methods 3 and 4 will be carried out in 1940, as advertised, but it cannot at present be stated what arrangements are likely to be made for further recruitment during the continuance of the war.

## INDIAN POLICE.

\* Appointments to the Indian Police from the United Kingdom are made by written competitive examination held annually in June. The examination is confined to male British subjects of non-Asiatic domicile who are over 19 and under 21 years of age on the 1st August of the year of competition and are unmarried.

Successful candidates are appointed on probation and are required to pass certain prescribed departmental examinations within two years. They are required to provide themselves with uniform, and the India Office makes a grant of £30 towards the cost of this.

On arrival in India probationers are attached to the Central Police Training School of the Province to which they have been allotted. At these Training Schools they receive practical instruction in the duties of a police officer, and are given facilities for the study of Criminal Law and Procedure and the vernaculars of the Province.

### PAY.

Basic pay is paid monthly in rupees; overseas pay is paid in sterling from the fifth year onwards. Pay, including overseas pay, is regulated by a time-scale and ranges from £405 per annum on first appointment to £1,575 per annum in the twenty-sixth year of service. In addition, there are a number of posts above the time-scale carrying pay between £1,665 and £2,860 per annum.

### LEAVE.

Leave is calculated in terms of "leave on average pay," at the rate of  $\frac{3}{5}$ nds of the period spent on duty, of which only a portion may be taken on average pay, the remainder being on half average pay. Leave is accumulated and may be taken at intervals during service.

### PASSAGES.

In addition to a free passage to India on first appointment, an officer is entitled to four free passages to and from India at first-class rates for himself, and the same number for his wife. He can, if he prefers to do so, travel at a cheaper rate and utilise the savings for making additional journeys.

### PENSION.

Retirement is ordinarily required at the age of 55 years. An officer becomes eligible for full pension (£612 ros. per annum) after 30 years' qualifying service; he may, however, be permitted to retire voluntarily on a pension not exceeding £525 per annum, after 25 years' qualifying service. Special additional pensions ranging from £26 to £218 per annum may be earned by service in a number of the higher posts carrying special responsibilities. Provision also exists under which an officer may retire at any time after completing 5 years' service, for reasons other than ill-health, on a proportionate pension based on his length of active service.

An officer who is invalidated may be granted a pension not exceeding £175 per annum after 7 years qualifying service, up to £595 per annum after 29 years qualifying service. If he has less than 7 years' qualifying service, he receives a gratuity of one month's emoluments for each completed year of qualifying service.

### PROVIDENT FUND AND FAMILY PENSION FUND.

Subscription to the General Provident Fund is compulsory up to  $6\frac{1}{4}$  per cent. of salary; the amount thus subscribed plus interest is the absolute property of the officer. Subscriptions to this Fund may, however, be reduced by the amount of the subscription to the Family Pension Fund, to which all officers must contribute.

In 1939 a few appointments were made by selection from among Graduates of approved Universities, age limits over 21 and under 23 on 1st August.

Further information and forms of application may be obtained from the Secretary, Services and General Department, India Office, Whitehall, S.W.1.

Entry into the Indian Police in India is confined to candidates of Indian domicile. Forms of application together with Rules, Regulations and Syllabus of the Examination may be obtained from the Government of the Province to which the prospective candidate belongs, or if he is a subject of an Indian State, from the Political Officer or Agent.

\* Recruitment in the United Kingdom may be suspended for the period of the war. Notice of any appointments which it may be decided to make will be given in the press.

## INDIAN ORDNANCE SERVICES.

The Indian Ordnance Services consist of civilian officers who are posted to staff the Government Ordnance and Clothing Factories in India. There are at present eight such Factories engaged in the manufacture of armaments, explosives, clothing and equipment for the Indian Defence Services.

Gazetted civilian officers are usually appointed in the grade of Assistant Works Manager at an initial salary of Rs.600 per mensem, *plus* (in the case of officers of non-Asiatic domicile) £25 overseas pay per mensem. Promotion to higher grades is by selection, and the salaries range up to Rs.1750 per mensem + £30 overseas pay per mensem for a Factory Superintendent. Officers of this Service may also be selected for

the post of Director of Ordnance Factories, with a salary of Rs.2,350 + £13 6s. 8d. per mensem.

Recruitment of Civilian Gazetted Officers in England is carried out by the Secretary of State for India.

Appointment is by selection, and is on a five-years' contract in the first instance, with the possibility of permanent retention thereafter.

The qualifications required vary with the nature of the vacancy to be filled. Vacancies occur at irregular intervals, and are advertised in the public press. Applications are accepted only in respect of advertised vacancies.

## AGRICULTURAL, EDUCATIONAL, FOREST, ENGINEERING AND VETERINARY SERVICES.

The above Services are now under the control of the Government of India and the Provincial Governments, and appointments to them are no longer made by the Secretary of State for India. Any recruitment in respect of them that may be undertaken in England is normally conducted by the High Commissioner for India, India House, Aldwych, London, W.C.2, to whom any enquiries should be addressed.

Applications for appointments for which the High Commissioner may be asked to recruit are ordinarily invited by advertisement in the Press. Such appointments occur only at irregular intervals. Particulars as to any Rules issued by the Governments in India, regulating the Services in question, may be obtained from the High Commissioner.

---

## GEOLOGICAL SURVEY, INDIAN CUSTOMS SERVICE, INDIAN AUDIT AND ACCOUNTS SERVICE, INDIAN RAILWAY ACCOUNTS SERVICE, AND MILITARY ACCOUNTS DEPARTMENT.

Appointments to the above Services are made by the Government of India, and no recruitment for them is undertaken by the Secretary of State for India. Except in the case of the Geological Survey, appointments to which are made on the advice of a Selection

Committee, the normal method of appointment to all these Services is by means of a competitive examination open to British subjects of Asiatic domicile. Enquiries may be addressed to the High Commissioner for India, India House, Aldwych, W.C.2.

sioner for India. Vacancies for which the High Commissioner is likely to be required to recruit will occur only at irregular intervals, and applications will ordinarily be invited by advertisement in the Press.

## APPOINTMENTS TO THE INDIAN ARMY.

NOTE.—During the present War, all commissions will be granted for the duration of the War only, but those granted such commissions may be eligible for consideration for permanent commissions after the War to the extent to which vacancies may be available. The conditions of service stated below relate to permanent commissions, and are modified in certain respects for holders of temporary commissions granted during the War.

## REGULATIONS FOR ADMISSION.

Candidates competing for commissions in the Indian Army are required to pass the Army Entrance Examination held by the Civil Service Commissioners. Forms of application for permission to attend the Examination may be obtained from the Secretary, Civil Service Commission, Burlington Gardens, W. 1. These examinations are held twice a year (in June and November) at various centres in the United Kingdom. Candidates must be between 18 and 19 years of age at a date specified in the notice of the examination, and must be of good health and character. The obligatory subjects are: Part I, English, General Knowledge, Interview, and Record and one of the following:—Modern Language, General History, Elementary Mathematics or Everyday Science. Candidates may also take not more than two of the following optional subjects: Part II,\* Latin, Greek, French, German, Modern History, Lower Mathematics, Higher Mathematics, Physics plus Chemistry, Biology. In addition to these subjects candidates may be examined in Freehand or Geometrical Drawing. Further particulars regarding the examination are contained in the Regulations for admission to the Royal Military College, Sandhurst, which may be obtained from The U.S. of State, War Office, S.W.1. Question papers set at certain previous examinations may be purchased either directly from the following branches of H.M. Stationery Office: Kingsway, London, W.C.2; 120 George Street, Edinburgh; York Street, Manchester; 1, St. Andrew's Crescent, Cardiff; 80, Chichester Street, Belfast; or through any bookseller.

## INDIAN ARMY CADETSHIPS AT SANDHURST.

The notice of the examination issued by the War Office specifies the number of cadetships offered at the examination which are tenable at the Royal Military College, Sandhurst. Of these the greater number are for the British Army, but 100 cadetships carrying appointment to the Indian Army are offered at Sandhurst in the course of a year. As the examinations are held twice a year, the number of these cadetships offered in connection with any examination is limited to 50, subject, however, to the requirements of the Indian Army at the time. Not more than 10 of these cadetships will be allotted at each examination to King's India Cadets nominated by the Secretary of State for India (*see below*) and one or two to King's Cadets nominated by the Army Council, the balance to be allotted by open competition. After the claims of King's Cadets and King's India Cadets have been met the remaining appointments will be made on the following principles:—

- (a) The first consideration will be given to those cadets who pass out highest on the list of successful candidates from the Royal Military College, but the Secretary of State for India reserves the right to consider special family claims, or a desire to serve in India, irrespective of a candidate's position on the list.
- (b) A cadet having any special family claim on the Indian Army, or a desire to serve in India, should note this on the preference form which he will be required to fill in during his last term at the college. Considerable weight will always be given to the recommendations of the Military Secretary, India Office, and, where a cadet is on the Military Secretary's list and also has family connections with the Indian Services, two of the primary conditions of appointment to the Indian Army are fulfilled, but his chances of obtaining the appointment will be greatly enhanced if he has taken a high place in the final examination at the Royal Military College.

A limited number of Entrance Scholarships are awarded by the War Office at each Army Entrance Examination to candidates (other than King's Cadets and King's India Cadets), in order of merit in the examination who obtain not less than 60 per cent. of the maximum marks.

Under present conditions the course at Sandhurst lasts for 18 months. At the end of the period of training the Indian Army cadets who are recommended for commissions will be gazetted to the Unattached List for the Indian Army, and will be sent out to India for attachment to a British unit in that country for one year. On the conclusion of a year's service with a British unit, they will, if recommended, be posted to a unit of the Indian Army.

## FEES.

The fees ordinarily payable by cadets are £60 a term for the son of an officer or soldier and £100 a term for the son of a private gentleman. These rates may, however, be reduced by 25 per cent., 50 per cent., 75 per cent., or 100 per cent., if the means of the parents or guardians justify such reduction. In addition to this fee a contribution of £55 will be required from the parent or guardian of each cadet in aid of uniform, books, and other incidentals for the first two terms, and £15 for the third term. In the event of a candidate being admitted to the College at a reduced rate of fees, the total contribution in aid of uniform, books, etc., will be reduced in the same proportion. The sums due should be paid to the College Accountant immediately the cadet enters the Royal Military College, except in the case of King's India Cadets, regarding whom information, as to fees, etc., payable and the authority to which payment should be

\* No Candidate may offer similar subjects in Part I. and II.

† This number includes 10 Army Cadets.

made, will be furnished to the parent or guardian by the India Office. Any expenditure on uniform, books, and incidentals in excess of this £70 must be paid by the parent or guardian of the cadet at the end of the course.

While under instruction cadets are expected to be supplied with pocket money by their parents or guardians at the rate of £3 a month.

Free issues of revolver, binoculars and prismatic compasses will be made to the cadets at the Royal Military College, and on being commissioned they will receive an outfit allowance of £50 and a free issue of Camp Kit.

In the case of all cadets a contribution is made by Government which is intended to cover the cost of messing, laundry, and servants at the Colleges, but any expense incurred beyond the amount of this Government contribution must be paid by the cadet or his parent.

## KING'S INDIA CADETSHIPS.

Twenty King's India Cadetships at the Royal Military College, Sandhurst, are offered every year. These King's India Cadetships are confined by statute to the sons of persons who have served the Crown in India. To be eligible for these cadetships, candidates must attain a qualifying standard at the Army Entrance Examination. The nominations are made by the Secretary of State for India according to definite rules, the length and distinction of the father's service being the primary consideration. Special consideration is, however, given to the sons of deceased officers. The services of relatives other than the father cannot be taken into consideration in allotting these cadetships.

The fees normally payable in respect of King's India Cadets will be at the rate of £30 a term, together with the payment of £35 for uniform, books, etc., covering the whole period of the course. In cases in which the Secretary of State for India considers that the pecuniary circumstances of the parent (or cadet) justify the concession, remission of fees and contribution, wholly or in part, may be granted.

A King's India Cadetship carries the right of appointment to the Indian Army.

Three Honorary King's India Cadetships at the Royal Military College are offered annually.

Such Cadets are appointed from—

- (a) The sons of officers of the Indian Army who were killed in action, or who have died of wounds received in action within six months of such wounds having been received, or from illness brought on by fatigue, privation, or exposure incident to active operations in the field before an enemy, within six months after their having been first certified to be ill.
- (b) The sons of officers of the Indian Army who have attained the brevet or substantive rank of Major or Lieutenant-Colonel, and have performed long or distinguished service.

*Note.*—The sons of officers of the Indian Medical Service, of Royal Artillery officers who have been selected for continuous service in India, and of Royal Engineer officers who have completed 20 years' service for Indian pension are eligible under the same conditions as the sons of officers of the Indian Army.

The age limits, times of nomination, and conditions of eligibility as regards examinations are the same as for King's India Cadetships.

An Honorary King's India Cadetship carries with it no pecuniary advantage.

Only those candidates who intend to apply for appointment to the Indian Army on being commissioned are eligible for nomination as King's India Cadets or Honorary King's India Cadets. In the case of a candidate who has been nominated to a King's India Cadetship, and who withdraws his election for appointment to the Indian Army, or leaves the College of his own accord, or is removed or expelled under the rules of the College, before completing the course and being commissioned, the nomination will be cancelled, and full fees will be payable from the date of the cadet's admission to the College at the normal rates laid down in Art. 738 of the Royal Warrant for Pay, etc.

The normal fees will similarly be payable if, after appointment to the Unattached List, an officer elects to remain in the British Army.

Forms of application for King's India Cadetships can be obtained from the Secretary, Military Department, India Office.

## UNIVERSITY CANDIDATES.

A limited number of appointments to the Unattached List for the Indian Army are made by the War Office from candidates nominated by the principal Universities in the United Kingdom. The Regulations for University Candidates can be obtained from the War Office.

## TERRITORIAL FORCE AND SUPPLEMENTARY RESERVE.

A limited number of appointments are also offered to officers of the Territorial Army and Supplementary Reserve, between the ages of 21 and 25, who undertake the Final Examination at the Royal Military College, Sandhurst, under arrangements made by The War Office.

## PAY ON BEING COMMISSIONED.

Cadets from Sandhurst who are gazetted to the Unattached List for the Indian Army receive pay at the rate admissible to a Second Lieutenant of British Infantry, from the date of their commission to the date of their arrival in India. Ration allowance at current rate is also payable up to date of embarkation. On attachment to a British unit in India, Second Lieutenants of the Unattached List will receive pay at Rs 385 per mensem, *plus* Rs. 20 per mensem, if free quarters are not provided. On appointment to an Indian regiment they will receive the Indian Army pay and allowances of their rank.

**PAY, ETC., OF OFFICERS OF THE INDIAN ARMY.**  
Information regarding the pay, leave, promotion and pensions of Indian Army Officers

may be obtained from the Secretary, Military Department, India Office.

## FAMILY PENSIONS.

All candidates appointed to permanent commissions in the Indian Army are required, as a condition of their appointment, to subscribe to the "Indian Military Widows' and Orphans' Fund." The regulations\* of this Fund can be obtained on application to the Controller of Pension Funds, India Office. In addition to these pensions, the families of officers of the Indian Army are eligible for the pensions laid down in the Royal Warrant for the pay of the British Army.

## SCHOLARSHIPS.

Officers appointed to commissions on the Unattached List for the Indian Army, from the Royal Military College and the Universities, are eligible equally with officers appointed to the British Service for the scholarships of the annual value of £20, tenable for three years, which will be awarded to young officers on first appointment to commissions for promise of special ability for regimental work, or for staff or other special work as laid down in Article 684 of the Royal Warrant for Pay, etc. (1931).

These conditions are subject to such alterations at any time as may be determined by the Secretary of State for India.

## INDIAN MEDICAL SERVICE.

NOTE.—During the present War, all commissions will be granted for the duration of the War only, but those granted such commissions may be eligible for consideration for permanent commissions after the War to the extent to which vacancies may be available. The conditions of service stated below relate to permanent commissions, and are modified in certain respects for holders of temporary commissions granted during the War.

### METHOD OF APPOINTMENT.

The Indian Medical Service offers a permanent career with wide opportunities of medical experience including Clinical, Preventive, Specialist and Research work. At the beginning of his career an officer is employed on the military side, which has medical charge of the Indian Army. Promotion is on a time scale up to the rank of Lieutenant-Colonel and by selection to the ranks of Colonel and Major-General. An officer may apply, after one year's Indian service, to have his name registered for transfer to the civil side, from which appointments are made to civil surgeoncies, which are established at the principal civil centres to provide for the medical needs of civil officials and for general medical administrative purposes; to specialist (*e.g.*, Public Health and Bacteriological) Services; to research posts and to clinical appointments at the Medical Colleges.

Appointment to the Indian Medical Service is at present, and until further notice, made by nomination by the Secretary of State. Applications from candidates of pure European descent who are under thirty-two years of age and who are registered under the Medical Acts in force in Great Britain and Northern Ireland, should be addressed to the Secretary, Military Department, India Office, Whitehall, S.W.1. To assist him in making appointments the Secretary of State has constituted a Selection Committee for the purpose of summoning and interviewing such applicants as appear to be *prima facie* suitable and making recommendations for appointment.

A similar Committee has been set up in India to examine the qualifications of Indian and Anglo-Indian candidates for appointment. Applications from these candidates should be addressed to the Director-General, Indian Medical Service, Delhi (or Simla), India. They will then be considered by the Selection Committee in India, but, in order to obviate the necessity for the return to India for interview of candidates who are in Europe at the date of selection such candidates, if *prima facie* suitable, may, at the request of the authorities in India, be summoned to appear before an Interviewing Committee in London, who will report the result of the interview to the Selection Committee in India. Similarly, European candidates, should their place of residence make it more convenient, may be summoned to appear before an Interviewing Committee in India, who will report the result of the interview to the Secretary of State.

Successful candidates are normally appointed in the rank of Lieutenant.

### MEETINGS OF SELECTION COMMITTEE.

The Selection Committee constituted by the Secretary of State normally meets at the India Office in April, July, October and December of each year.

### ANTEDATES IN COMMISSION.

Candidates possessing certain higher medical qualifications or holding a diploma in Public Health or having served in certain hospital appointments may be granted an antedate in their commissions. Persons holding or about to hold resident posts at recognised hospitals may be seconded, for a period not exceeding twelve months, in those posts. The maximum period of antedate, or antedate and secondment combined, is limited to eighteen months. The period of antedate and/or secondment will count as commissioned service for the purposes of increments of pay, promotion, and retired pay, but not for gratuity on voluntary retirement.

### INSTRUCTION PRIOR TO EMBARKATION.

Officers are required to undergo Courses of Instruction at the Royal Army Medical College, Millbank, and at Aldershot, lasting approximately three months, prior to their embarkation for India on first appointment.

### OUTFIT ALLOWANCE.

Officers on appointment will receive an allowance of £75 towards the cost of outfit.

### PASSAGES.

An officer on appointment is provided with a free passage to India. The families of officers who are married prior to the date of the officer's embarkation on first appointment will also be provided with free passage to India, subject to the payment of messing charges.

### PRIVATE PRACTICE.

With the exception of administrative officers, military or civil, and officers holding certain special appointments, officers are not debarred from taking private practice so long as it does not interfere with their official duties.

### OTHER CONDITIONS OF SERVICE.

Information regarding the pay, leave, promotion prospects and pensions and any further information regarding the conditions of service of I.M.S. officers may be obtained from the Secretary, Military Department, India Office.

## ROYAL INDIAN NAVY.

**NOTE.**—During the present War, all commissions will be granted for the duration of the War only, but those granted such commissions may be eligible for consideration for permanent commissions after the War to the extent to which vacancies may be available. The conditions of service stated below relate to permanent commissions, and are modified in certain respects to holders of temporary commissions granted during the War.

---

The Royal Indian Navy, which was re-organised as a combatant force in 1928, at present consists of five sloops, a surveying ship, a Depot ship for training purposes, and various minor craft. The Executive Branch includes the Flag Officer Commanding and other officers in the ranks of Captain, Commander, Lieutenant-Commander, Lieutenant and Sub-Lieutenant, and the Engineering Branch consists of the Engineer-Captain and other officers in the ranks of Engineer-Commander, Engineer-Lieutenant and Engineer-Sub-Lieutenant. The Commissioned Officers of the Royal Indian Navy are mainly European but Indians have been admissible since 1928. The ships are manned by Indian ratings, although a number of European Warrant officers are also employed. The Royal Indian Navy is organised and equipped on lines similar to the Royal Navy. Commissioned officers attend at intervals

throughout their careers courses of training in this country under the Admiralty and are thus kept in touch with the practice in the Royal Navy.

The normal method of entry into the Royal Indian Navy is through the examination for Naval Cadetships (Special Entry) held by the Civil Service Commission in March, June and November of each year, the age limits for which are approximately 17 to 19 years. The number of executive and engineer vacancies declared for the Royal Indian Navy varies from time to time. All particulars regarding these examinations may be obtained on written application to the Secretary, Civil Service Commission, Burlington Gardens, S.W.1, whilst information regarding the conditions of appointment to, and service in, the Royal Indian Navy may be obtained from the Secretary, Military Department, India Office.

## BENGAL PILOT SERVICE.

Appointments to the Bengal Pilot Service are made by the Government of India with the assistance of a Federal Public Service Commission. Recruitment in England, which is

conducted by the High Commissioner for India, is undertaken only when no suitable candidates are available in India.

## BURMA CIVIL SERVICE (CLASS I).

The Burma Civil Service (Class I.) is the Service in Burma corresponding to the Indian Civil Service in India, and appointments to this Service are made by the Secretary of State for Burma. There are at present three methods by which appointments are made to the Burma Civil Service (Class I.) for which men only are eligible, namely,

- (1) By written competitive examination held in England ;
- (2) By selection in England ;
- (3) By written competitive examination held in Burma.

The written competitive examination is the same as that which takes place annually for appointment to the Indian Civil Service and the Administrative Class of the Home Civil Service, and is held at the same time. A candidate, on payment of a single fee, may enter for all or any of these Services at the same examination. Candidates must be between the ages of 21 and 24 on the 1st August of the year in which the examination is held, and must be British subjects either of European descent, or of Burman domicile or descent.

The qualifications for appointment by selection are identical with those required for the Indian Civil Service (*see* page 154). The selection of candidates is made by the same board as that which selects candidates for the Indian Civil Service, and a candidate may indicate on his application form that he also wishes to be considered for the Indian Civil Service.

Candidates for the written competitive examination held in Burma are required to be British subjects domiciled in Burma, to be between the ages of 21 and 24 on the 1st January of the year in which the examination is held and to hold a Degree of an approved University or the Senior Diploma of the Mayo College, Ajmer.

The terms of the probation of successful candidates are similar to those of the Indian Civil Service. The work and conditions of service generally of the Burma Civil Service (Class I.) are also the same as those of the Indian Civil Service (*see* memorandum on that Service on page 154), but in addition a Burma allowance is admissible at the following rates :—

<i>Pay</i>		<i>Amount of Burma Allowance admissible.</i>	
<i>Rs. per mensem.</i>		<i>Rs. per mensem.</i>

Further information and forms of application for appointment by competitive examination or selection in England may be obtained from the Under-Secretary of State, Burma Office, Whitehall, S.W.1.

Enquiries regarding the competitive examination in Burma should be addressed to the Secretary to the Government of Burma, Home Department.

### BURMA POLICE (CLASS I.)

The Burma Police (Class I.) is the Service in Burma corresponding to the Indian Police in India, and appointments to this Service are made by the Secretary of State for Burma.

The method of entry is by a written competitive examination held concurrently with the Indian Police and the Army and Air Force entrance examinations.

The subjects of the examination, the conditions of eligibility, the fee payable and the method of application are the same as those laid down for the Indian Police. Payment of one fee will admit candidates to the examination for the Indian Police as well as for the Burma Police (Class I.).

Successful candidates are appointed on probation and attached to the Police Training School at Mandalay. In all other respects the

conditions of their probation are identical with those of the Indian Police.

The work and conditions of service generally of the Burma Police (Class I.) are also the same as for the Indian Police (*see* the memorandum on that Service on page 157), but in addition, a Burma allowance is admissible at the rates given in the memorandum on the Burma Civil Service (Class I.) on page 191. Further information and forms of application may be obtained from the Under-Secretary of State, Burma Office, Whitehall, S.W.1.

Entry into the Burma Police in Burma is confined to candidates domiciled in Burma. Forms of application, together with Rules, Regulations, and the syllabus of the examination may be obtained from the Secretary to the Government of Burma, Home Department.

### THE BURMA MILITARY POLICE.

The Burma Military Police consists of battalions which before the separation of Burma from India were the garrison battalions of the Burma Military Police. They are, in essence, a civil force and are now under the

control of the Home Minister. Officers for the Burma Military Police are found by secondment for short tours of duty from British Service and Indian Army Units.

### THE BURMA FRONTIER SERVICE.

The Burma Frontier Service is a service which is classed as "Superior," and is, as its name implies, a service whose members are appointed to posts in certain Frontier districts of Burma, notably in the Shan States, the Chin Hills and the Myitkyina District.

Officers are appointed, and their conditions of service regulated, by the Governor of Burma in his discretion. European officers are recruited by the Secretary of State on behalf of the Governor. Applications are invited by advertisement in the general Press as vacancies arise. Officers of Asiatic domicile are recruited locally from officers serving in the Burma Civil Service (Class II.).

A European candidate must be unmarried and between the ages of 21 and 25. He must be of sound bodily health, and must produce evidence of having received a good general education. The possession of a University degree is essential. A candidate's ability to ride is also taken into consideration. He must be prepared to serve for long periods in remote parts of Burma where there will be little society.

Candidates are required to attend, at their own expense, at the Burma Office, for a personal interview. Those selected are required to produce satisfactory evidence of their date of birth, and to appear before the Medical Board at the Burma Office for examination as to their physical fitness for appointment. There is no charge for this examination, but candidates must be prepared to pay their own travelling expenses.

Successful European candidates must serve for two years on probation, and remain unmarried for this period, under penalty of forfeiture of their appointment. An officer is not confirmed in his appointment until he

- (a) has satisfactorily completed such course of practical training in the district as may from time to time be prescribed;
- (b) has satisfactorily passed such departmental examinations as may from time to time be prescribed; and
- (c) is considered by the Government to be fit for confirmation.

If an officer fails to be confirmed within a period of three years from the date of his appointment his services may be dispensed with summarily.

THE BURMA FRONTIER SERVICE—*continued.*

## PAY.

An officer's salary rises from £450 in his first year of service to £1,485 in his 23rd year. These figures include overseas pay, and are calculated on the exchange value of the rupee being rs. 6d. The pay of the Service is not subject to the vote of the Burma Legislature.

## LEAVE.

An officer earns for every year spent on duty rather more than 2½ months leave on full pay, or five months on half-pay. He cannot, of course, take leave every year, but he can accumulate his leave.

## PASSAGES.

On proceeding to take up his appointment a European officer is provided with a free first-class passage to Burma, subject to the condition that its cost shall be refunded in the event of an officer resigning before the expiry of the period of probation on grounds other than ill-health, certified to the satisfaction of the Government. If on the expiry of the period of probation he is not confirmed in his appointment, or if he is compelled by certified ill-health to resign the service before such expiry, he will be provided with a similar free passage back to England, or at his option to any other country at a cost not exceeding that of such passage.

Every European officer after his period of probation is entitled to four free first-class passages to and from Burma, and a number not exceeding four for his wife, the number being calculated according to the officer's length of service at the date of his marriage. If he prefers to do so, he can travel at a cheaper rate, and so increase the number of times he is able to come home at Government expense.

## PENSION.

The pension which an officer can earn is fixed according to a scale which rises from Rs.6,000 a year after 25 years' qualifying service to Rs.7,000 after 30 years or more.

## PROVIDENT FUND.

Every officer contributes to a Provident Fund, and on retirement his contributions are repaid to him in a lump sum, to which compound interest is added.

Further information about the Burma Frontier Service may be obtained from the Under-Secretary of State, Burma Office Whitehall, S.W.1.

## BURMA ECCLESIASTICAL ESTABLISHMENT, (CHURCH OF INDIA, BURMA AND CEYLON)

1. Appointments of chaplains to the Burma Ecclesiastical Establishment are made by nomination by the Secretary of State for Burma on the recommendation of the India and Burma Chaplaincies Board.

2. Candidates for these appointments, which are made as vacancies occur, must be Priests who have been at least three years in Holy Orders, and should ordinarily be between the ages of twenty-seven and thirty-four years.

3. Applications for nominations should be submitted to the India and Burma Chaplaincies

Board of the Church of England. A memorandum giving the conditions of service together with forms of application may be obtained from the Under-Secretary of State, Burma Office, Whitehall, S.W.1.

4. An Ecclesiastical Establishment is maintained in India as well as in Burma, *but not in Ceylon*, and a candidate may indicate on his application form if he also desires to be considered for appointment to the Indian Ecclesiastical Establishment.

---

## BURMA RAILWAY SERVICES.

The Burma Railway Services are under the control of the Burma Railway Board, by whom appointments are made. Any recruitment of candidates undertaken in this country on behalf of the Board is conducted by the High Commissioner for India, India House, Aldwych,

London, W.C.2, to whose office enquiries should be addressed. Vacancies for which the High Commissioner is likely to be required to recruit occur only at irregular intervals and applications are ordinarily invited by advertisement in the press.

---

## AGRICULTURAL, EDUCATIONAL, FOREST, ENGINEERING AND VETERINARY SERVICES IN BURMA.

Recruitment for appointments to the above-mentioned service posts in Burma is not ordinarily made by the Secretary of State for Burma. Such appointments are now under the control of the Government of Burma and any recruitment undertaken for them in this country is conducted by the High Commissioner for India, India House, Aldwych, London, W.C.2. These appointments occur only at

irregular intervals. Applications for appointments for which the High Commissioner may be asked by the Government of Burma to recruit are ordinarily invited by advertisement in the general press. All the above, which form the Army in Burma, are under the immediate command of the General Officer Commanding who is responsible to the Governor.

The principal peace-time duties of the Force are watch and ward of the frontier, and the maintenance of order in the rough tribal areas in which its units are chiefly stationed.

Burberrys have decided, as in the last war, to clean and re-proof free of charge all Burberry Service Weatherproofs worn by men and women Officers on active service in His Majesty's Forces.

**WRITE FOR THE BURBERRY SERVICES BOOKLET**

'Grams: BURBERRY, LESQUARE, LONDON.

## "DEFENSIVE MEASURES"

Weather extremes have very often proved more relentless opponents than the military might of entrenched armies. In winter or summer, a well-clad Officer is always the better precautionary campaigner.

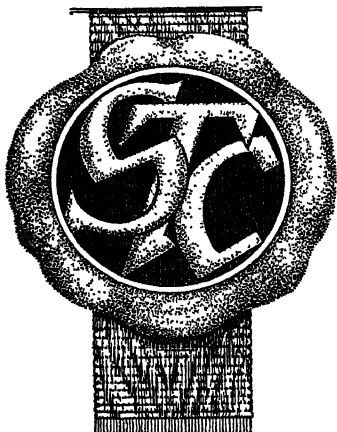

The Burberry Trench-Coat (illustrated) is made from Burberry Gabardine, lined check and interlined Batiste. Also supplied with detachable Fleece lining. This Burberry, officially approved by the War Office, is weather-proof, windproof, warm without weight and of great "endurability."

*Tailors to His Majesty's Forces for over 50 years.*
